To my knowledge, no one has been bitten or scratched by this animal in the past fourteen (14) days. To my knowledge, the above answers are true and correct. I understand a give-up fee may be required. None of the answers to the above questions will necessarily exclude any dog from being taken into our program. All of the members of our organization are volunteers and all of our dogs are “fostered” in private homes, which often include other dogs, both big and small, cats, other pets, children, etc. Being as truthful as possible enables us to place the dog in an appropriate foster home without endangering our volunteers.

PLEASE NOTE: Our intake team will review the form and contact you. If the dog is accepted into the program we will have a separate form for you to sign to relinquish ownership.
